

Hearing Aid Drop in Clinics

Volunteers trained by the Audiology Department can supply and fit new batteries and re-tube non-dome hearing aids. See below. Unfortunately we are unable to re-tube open fit aids – thin wire with tip in ear.

Our volunteers are able to replace tubing for standard hearing aids with ear moulds.

We are unable to replace tubing and domes for Open Fit Style Hearing aids. Please contact the Audiology Department for a repair appointment at: Kings Cross Hospital, Stracathro Hospital or Perth Royal Infirmary

For more information please contact:

Audiology Department
Kings Cross Health & Community
Care Centre
Cleington Road
DUNDEE DD3 8EA

Tel: 01382 596965
Mon – Fri 0900 -1230, 1330 -1600
