Podiatry First Contact Nail Surgery Service

Are you suffering from painful, ingrown, or infected toenails?

Our First Contact Podiatry Nail Surgery Service offers timely access to expert care without the need for a GP referral.

Who is the service for:

- Anyone with an infected ingrowing toenail
- Anyone with a painful troublesome toenail
- Anyone wishing surgical removal of a toenail

What do we offer:

- Full Assessment of the problem
- Discussion regarding treatment options
- Antibiotic therapy if required
- Toenail removal under local anaesthetic if required (total/partial)
- Dressing and aftercare advice
