

# The Beacon

**Community support  
for adults in emotional  
distress, their family,  
friends and carers.**

The Beacon is a new Community Wellbeing Centre in Arbroath. You can get support in-person, over the phone, email and through social media

We offer kind and caring support to people experiencing emotional distress, their carers, families and friends.

Anyone living in Angus aged 16 and over can contact us for help. We provide support from 12 noon to 12 midnight, 7 days a week, every day of the year.
